

Global Youth Institute

The Saskatchewan Ministry of Agriculture is sending two Saskatchewan students and their teachers, all expenses paid, to represent the province at the Global Youth Institute from October 13-15, 2016 in Des Moines, Iowa! Selected students will interact with Nobel and World Food Prize Laureates and discuss pressing food security and agricultural issues with international experts.

Saskatchewan students currently in grade 8 to 11, with a keen interest in agriculture and food security, are eligible to apply.

Saskatchewan's agriculture and agri-food industry is full of opportunities, and it is our responsibility to ensure our youth are provided with these valuable experiences. Please assist us by forwarding this information to your staff and encouraging students to apply. We have attached a poster that can be printed and displayed in your school.

Application deadline is **May 20, 2016**.

Full contest details can be found [here](#).

Thank you for your support!
